

Title

This is an R Markdown document. Markdown is a simple formatting syntax for authoring web pages (click the Help toolbar button for more details on using R Markdown).

When you click the **Knit HTML** button a web page will be generated that includes both content as well as the output of any embedded R code chunks within the document. You can embed an R code chunk like this:

```
summary(cars)
```

You can also embed plots, for example:

```
{r fig.width=7, fig.height=6} plot(cars)
```
